LEGAL NOTICE OF OPPORTUNITY TO OBJECT

Moroni Exploration Project

USDA Forest Service, Ashley National Forest, Roosevelt-Duchesne Ranger District, Wasatch County, Utah.

The Ashley National Forest is releasing a draft Decision Notice for the Moroni Exploration Project, alongside our environmental assessment (EA) and finding of no significant impact. Electronic copies of these documents are available from our website at:

<https://www.fs.usda.gov/project/?project=59348>.

In the draft decision, I selected the proposed action as analyzed in the EA. This project is subject to the objection process pursuant to 36 CFR 218 Subparts A and B.

Objections will be accepted only from those who have previously submitted specific written comments regarding the proposed project during a designated opportunity for public comment in accordance with §218.5(a). Issues raised in objections must be based on previously submitted, timely, specific written comments regarding the proposed project unless based on new information arising after designated opportunities.

Individual members of organizations must have submitted their own comments to meet the requirements of eligibility as an individual; objections received on behalf of an organization are considered those of the organization only. Names and addresses of objectors will become part of the public record.

See §218.8(d) for the minimum content requirements of an objection.

Written objections, including any attachments, must be filed (email, mail, fax) with the reviewing officer (Susan Eickhoff, Ashley National Forest, Forest Supervisor) within 45 days (§218.26) of this legal notice, the publication date of which is the exclusive means for calculating the time to file an objection.

Send objections to: Objection Reviewing Officer, Intermountain Region USFS, 324 25th Street, Ogden, UT 84401; or fax to 801-625-5277; or email to: objections-intermtn-regional-office@usda.gov. It is the responsibility of objectors to ensure their objection is received in a timely manner (§218.9).

Published in the Uintah Basin Standard June 30, 2021.
